

Applieicing Curves: Fast Easy and Accurate

by Caryl Bryer Fallert

3 hour, hands on workshop / all levels

Workshop Summary

“Applieicing” is a simple direct method for joining curved templates, which Caryl developed in 1989 to join the complex curves in her award winning quilts. In this class you will learn to draw and mark your own pattern and piece the most complex interlocking curves quickly and easily. You will make a small sample to learn the techniques.

Supplies you need to bring:
