Workshop Summary

In this seminar you will learn everything you need to know to draw and mark your own pattern and piece the most complex interlocking curves quickly and easily. “Applieicing” is a simple direct method for joining curved templates, which Caryl developed in 1989 to join the complex curves in her award winning quilts.

Supplies you need to bring:

1. 10-15 sheets of plain white copier paper
2. Freezer paper –18” square (one roll may be shared by the whole class)
3. Drawing Tools:
 - ~Sharpie marker. If possible bring one "fine point" and one "ultra-fine point"
 - ~Flexible curve (available at Office Depot and art supply stores) may be shared.
 - ~Pen, pencil, ruler, eraser
