Other stuff to do while you're here:

Local Culture:

We make every effort to schedule our workshops to coincide with other events or workshops in Paducah that you may want to enjoy while you are here.

~ The June workshops are held on either side of our LowerTown Arts District's traditional "Second Saturday" when all of the galleries are open from noon until 8 pm. Come for either workshop (or both) and experience the ambiance of our local culture while you are here.

~ The July workshop is immediately after Ruth McDowell's workshop at the National Quilt Museum (four blocks away), so if you are coming for one workshop, you may want to consider attending both.

More great things to do:

- ~ Fabric shopping: We have three quilt shops within walking distance of the studio, and Hancocks of Paducah is 10 minutes away by car (4.5 miles)
- ~ Other shopping: Downtown Paducah is full of charming antique shops, boutiques and craft galleries.
- ~ Take in the art scene in the Historic LowerTown Arts District. <http://paducaharts.com/>
